

DO NOT SCALE
Work to annotated dimensions only. Read drawings in conjunction with relevant specification, Structural Engineers' and Services Engineers' drawings. Confirm all dimensions before commencement of any work on site or fabrication.

Refer to Proposed drawings for full proposed design

Key:

Items to be removed.
*It is noted where removed items are to be replaced by contemporary fittings, to match the historic appearance.

No.02 St Michaels
Currently under construction

Ground Floor & Barrel Vault - REMOVE
To enable new stair to go down to basement in line with new stair position the existing barrel vault and floor is to be broken out and supported with new structural intervention

East Fire Exit - REPLACE
Fire exit for L00 only. Level Threshold. Current door panelling and features of Bootle Street doors to be replicated with this new door, including overhead light, that has been extended to fit existing opening.

Interiors to be fitted out by occupant.

Existing Basement Stair - REMOVE
Stair down to basement behind back of bar to be removed along with supporting walls, floor to be reinstated and made good to allow interior flexibility.

Ground Floor Window with sill to be reinstated.

Canted Corner Entrance Door - REPLACE
Original corner doorway to be reinstated as an entrance. Door to be set at +37.00 (90mm lower than current). Current step to be removed, replaced by level paving. Current door panelling and features to be replicated with new door.
