Stance: Customer made comments in support of the Planning Application
Comment Reasons:
Comment:I support the application for this amazing venue, which is at The British Muslim Heritage Centre, I attend every Friday at prayer time and have a stall which is a great support and initiative by the institution to support small artisan businesses like myself. [redacted]. The Marquee is an amazing venue holding a variety of events with delicious catering. I support this application and would love it to be given full permission to hold events without any restrictions of planning.
Many Thanks
