Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: The marquee is an essential space to allow my family and myself to worship. The fact that the preaching is English language means that all of us in the community are Brought together..all races worship at the centre unlike other mosques where they preach in a specific language. If closed, we shall demand Manchester City Council to provide us with a similar space to worship in a similar way. Closing this space will affect our mental health adversely.
