Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I worship at the BMHC as do many muslims who come from nearby in Manchester. Although I live in Hulme my masjid is in Whalley Range and I shop in Chorlton and so BMHC is near for socialising with other sisters and is a safe space for muslim women in Manchester, this resource cannot be underestimated as the community is under attack from the media. We are very respectful of the neighbours in Whalley Range and make sure that we do not park in any way that infringes on peoples' ingress and egress to their homes. We have a very good relationship with the neighbours to ensure we do not cause them any inconvenience.
