Delegated officer report for planning application

Application no. 144433/JO/2025

Date registered valid: 3 November 2025

Proposal: Variation of Condition 2 attached to planning permission 143334/JO/2025 to enable alterations to substation

Address: Land At Former Spire Manchester Hospital, Russell Road, Manchester, M16 8AJ

Ward(s): Whalley Range Ward

Applicant: Nicky Llyod, Great Places Housing Group

Agent (if any): Triangle Architects

Case officer: Katie Raw
Tel: 0161 234 4164
Email: katie.raw@manchester.gov.uk

Recommendation: Approve

Date of recommendation: 28 January 2026

Application details

Type of application: Variation or Removal of Condition

Development type: Major Dwellings

Date of site visit: 20 November 2025

Departure from Development Plan: No

Environmental Statement: Not required

Description of site/building

Listed building: Not applicable

Conservation area: Whalley Range Conservation Area 1992

Tree Preservation Order: No

The application site relates to the Land At Former Spire Manchester Hospital, Russell Road within the south Manchester ward of Whalley Range. The former Spire hospital that was located on this site from the mid 1980's relocated to an alternative location in Didsbury. Prior to the Spire hospital, the site was occupied by St. Joseph's Hospital. The site comprised a cleared site following consent for the demolition of the former Spire hospital building under the cover of demolition consent referenced 122469/VO/2019. There were some self-seeded trees and vegetation that had grown on site following demolition works. The boundaries are bordered by large mature trees and established vegetation behind boundary treatment. Outside of the site are a number of large established street trees.

Description of area

The site is bounded to the north west by Whalley Road (which accommodates Our Lady's Primary School), St Luke's Centre and St Margaret's Church beyond the north eastern site boundary, Russell Road to the south west and Carlton Road to the south east (which accommodates the Carlton Club). The area is predominantly residential in character. The site is currently accessed from access points on Whalley Road, Russell Road and Carlton Road. The site sits in a sustainable location with close proximity to shops, services and public transport on Withington Road and on Upper Chorlton Road. The site is a brownfield site measuring 0.93 hectares within Whalley Range Conservation Area within Whalley Range Ward.

Description of development

The current application seeks permission for variation of Condition 2 attached to planning permission 143334/JO/2025 to enable alterations to substation.

This application seeks changes to the substation on the site in line with Electricity North West requirements, including changes to the roof and external fenestration (see Figure 1).

Figure 1. Top image previously approved substation, bottom image proposed substation

The application seeks to vary conditions against 143334/JO/2025. Such permission received consent for:

143334/JO/2025- Variation of Conditions 2 (specified plans), 23 (landscaping), 28 (retirement living), 32 (affordable housing) and 33 (biodiversity) attached to planning permission 140556/FO/2024 to allow alterations to elevations to fenestration and brickwork, changes to

position of external bin and cycle store, changes to external landscaping and amended documents relating to affordable housing, residential management and biodiversity gain. Approved 28 November 2025.

The host permission on the site relates to:

140556/FO/2024- Erection of a five-storey extra care scheme (C3) comprising 80 dwellings with ancillary facilities and circulation space and four-storey residential block comprising 40 dwellings (C3) and associated landscaping, private amenity space, access and parking. Approved 27 September 2024.

CDN applications have been determined to support the application including: CDN/24/1198 and CDN/24/1149.

Negotiations during the Course of the Application

During the course of the application, discussions took place with the agent in respect of the proposed design of the substation and revisions were made to the scheme to overcome concerns raised.

Advice was given from colleagues in Environmental Health in relation to the discharge of condition 19 in respect of the noise output from the proposed substation.

Consultations & Notification Responses

Local Residents

Local residents were consulted but no comments were received.

Greater Manchester Police

GMP reviewed the proposal and confirmed they had no comments to make on the scheme.

Transport For Greater Manchester

Transport For Greater Manchester reviewed the proposal and confirmed they had no comments to make on the scheme.

Whalley Range Conservation Area Group

No comments were received during the course of the application.

Whalley Range Forum

No comments were received during the course of the application.

Highway Services

Highways are satisfied with the proposal for variation of Condition 2 (Approved Drawings) and have no objections in principle.

Environmental Health

Environmental Health confirmed they had no objections to the changes to the substation. It will still have to comply with the MCC noise criteria for fixed plant and equipment given in condition 19 of the host consent.

Further comments dated 16 January 2026:

The developer should clearly explain their methodology as to how they have calculated to the predicted noise levels at the nearest noise sensitive receptors in the condition discharge application. Environmental Health do not anticipate that this development will be an issue, but need the applicant to demonstrate that the MCC noise criteria will be met.

MCC Neighbourhood Team Leader (Arboriculture)

The proposed developments are all in the centre of the site where there are no trees. The application number 144433 does not have an AIA or associated AMS document to view. There are no proposed tree removals on the perimeter where the trees offer the most value.

All works must be carried out in accordance with BS:5837 to ensure that the trees are protected during the construction works. Protective fencing must be erected and where necessary, ground boards should be used to protect the tree roots.

MCC Flood Risk Management

Having reviewed the documentation for this application, the LLFA have no further comments to make.

Greater Manchester Ecology Unit

GMEU confirmed they had no objections to the application.

Ward Councillors

No comments were received from Ward Councillors.

Issues **POLICY**

Section 38 (6) of the Town and Country Planning Act 2004 states that applications for development should be determined in accordance with the adopted development plan unless material considerations indicate otherwise.

The adopted development plan consists of the Core Strategy (adopted 2012) and the saved policies of the Unitary Development Plan. Due consideration in the determination of the application will also need to be afforded to national policies in the National Planning Policy

Framework (NPPF) which represents a significant material consideration.

'The Core Strategy Development Plan Document 2012 -2027 ("the Core Strategy") was adopted by the City Council on 11th July 2012. Updated March 2024 following adoption of Places for Everyone Joint Development Plan

Local Development Framework - The principal document within the framework is the Manchester Core Strategy which sets out the spatial vision for the City and includes strategic policies for development during the period 2012 – 2027.

It is the key document in Manchester's Local Development Framework. The Core Strategy replaces significant elements of the Unitary Development Plan (UDP) as the document that sets out the long term strategic planning policies for Manchester's future development.

A number of UDP policies have also been saved until replaced by further development plan documents to accompany the Core Strategy. Planning applications in Manchester must therefore be decided in accordance with the Core Strategy, saved UDP policies and other Local Development Documents.'

The following policies within the Core Strategy are considered relevant:

Policy SP1
Policy DM1
Policy H1
Policy H6
Policy EN1
Policy EN 3
Policy EN4
Policy EN9
Policy EN15
Policy EN16
Policy EN18
Policy EN19
Policy T1
Policy T2

Saved Unitary Development Plan Policies

Policy DC18, Conservation Areas
DC26.1, DC26.2 and DC26.5 Development and Noise

Relevant National Policy

The National Planning Policy Framework

Draft National Planning Policy Framework (16th December 2025)- The government has published a consultation National Planning Policy Framework which is intended to improve housebuilding rates through a clearer, more predictable and faster policy basis for decision and plan making.

Legislative requirements

Section 72 of the Listed Building Act provides that in the exercise of the power to determine planning applications for land or buildings within a conservation area, special attention shall be paid to the desirability of preserving or enhancing the character or appearance of that area.

Section 17 of the Crime and Disorder Act 1998 provides that in the exercise of its planning functions the Council shall have regard to the need to do all that it reasonably can to prevent crime and disorder.

ISSUES

The current application seeks consent for Variation of Condition 2 attached to planning permission 143334/JO/2025 to enable alterations to substation.

The current variation application seeks changes to the substation on the site in line with Electricity North West requirements, including changes to the roof and external fenestration (see Figure 1).

The principle of development has already been approved under host permission 140556/FO/2024 and so this assessment considers only the proposed amendments to the scheme. Such amendment will now be discussed.

Figure 1 (repeated). Top image previously approved substation, bottom image proposed substation

Design, Scale and Appearance

Discussions took place with the agent in respect of the proposed design of the substation and revisions were made to the scheme to overcome concerns raised.

The initial scheme proposed was amended to be in line with Electricity North West requirements. Whilst the proposed change to a pitched roof was considered acceptable, the substation design did not appear to be in keeping or part of the development and required

detailing to match some of the features of the main buildings such as brick patterning (see Figure 2). The materials and design of the roof, eaves, gutters and other details should match the materials and detailing of the main buildings so that there is a coordinated design and materiality approach.

The revised scheme as seen within Figure 1 included changes as per the LPA's requests within the prescriptive requirements with regards to substation enclosures held by Electricity North West.

The following amendments were made to the scheme:

- Material Key updated to duplicate materials descriptions from elevations approved with application 143334/JO/2025. The materials used on the substation will match the materials of the main building.
- Incorporation of brick detailing used on the main building where plant/ bin stores occur (MT16, as attached photo) on two available elevations of the substation. An image of the brick detailing was provided for review and reflects the brick detail previously approved as part of the wider development.

Whilst the width or length of the substation would not alter, the height would increase from approximately 3.2 metres to 3.7 metres. The additional height would result from the pitched roof element. However, given the increase would be marginal and the proposal would be set back from the road of Whalley Road, it is not considered to create an overly large structure.

Given the developer has made their best endeavours to revise the scheme to be in keeping with the wider development and be considered acceptable in respect of design, scale and appearance, this has been limited to the requirements of Electricity North West, and so therefore can be supported.

Figure 2, Street Elevations of development as approved under 143334/JO/2025

Visual and Residential Amenity Implications

The substation would still be positioned in the same location approved under host permission and subsequent variation 143334/JO/2025. Although the substation would be taller than the substation previously approved (by approximately 0.5 metres), the substation would still be set back approximately 3 metres from the western boundary of the site with Whalley Road. Given the landscaping proposed across the scheme, it is not considered the proposal would give rise to adverse visual amenity implications, and due to the nature of the substation and set back, no adverse loss of light or adverse privacy implications to the proposed or surrounding existing residents.

Environmental Health raised the developer's attention to condition 19 relating to external equipment to ensure the proposed substation does not give rise to adverse noise and disturbance implications to the detriment of the new and surrounding occupiers.

The developer provided information in respect of the noise output of the substation. The developer with advice from their noise acoustician was comfortable that the sound can be managed to 33dBA or lower (-5db from the on-site noise level of 38dB LA90). Environmental Health do not anticipate that this development will be an issue but need the applicant to demonstrate that the MCC noise criteria will be met. Condition 19 would remain on the decision notice within any approval granted. With the inclusion of the condition, it is not considered the substation would give rise to adverse noise or disturbance implications.

Impact to the Whalley Range Conservation Area

It is not considered that there would be any greater impacts on the character of the Conservation Area than from the substation already approved on the site, and as such it is not considered that the proposals would give rise to harm to the Whalley Range Conservation Area.

Other Legislative Requirements

Equality Act 2010

Section 149 (Public Sector Equality Duty) of the Equality Act 2010 requires due regard to the need to: Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act and; Advance equality of opportunity between persons who share a protected characteristic and persons who do not share it. The Equality Duty does not impose a legal requirement to conduct an Equality Impact Assessment. Compliance with the Equality Duty involves consciously thinking about the aims of the Equality Duty as part of the process of decision-making.

Human Rights Act 1998 considerations

This application needs to be considered against the provisions of the Human Rights Act 1998. Under Article 6, the applicants (and those third parties, including local residents, who have made representations) have a right to a fair hearing and to this end the local planning authority must give full consideration to their comments.

Protocol 1 Article 1, and Article 8 where appropriate, confer(s) a right of respect for a person's home, other land and business assets. In taking account of all material considerations, including Council policy as set out in the Core Strategy and saved policies of the Unitary Development

Plan, the Director of Planning, Building Control & Licensing has concluded that some rights conferred by these articles on the applicant(s)/objector(s)/resident(s) and other occupiers and owners of nearby land that might be affected may be interfered with but that that interference is in accordance with the law and justified by being in the public interest and on the basis of the planning merits of the development proposal. She believes that any restriction on these rights posed by the recommendation given is proportionate to the wider benefits of and that such a decision falls within the margin of discretion afforded to the Council under the Town and Country Planning Acts.

Recommendation: Approve

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the application, and the application has been determined in accordance with the policies within the Development Plan.

Condition(s) to be attached to decision for approval OR Reasons for recommendation to refuse

2) The development hereby approved shall be carried out in accordance with the following drawings and documents:

Notwithstanding the approved plans further samples and specifications of the roof treatment, ventilation detailing, hard landscaping and brick type to the external store shall be submitted to and approved in writing by the City Council as local planning authority. Thereafter the development shall be carried out in accordance with those details.

Reason - To ensure that the appearance of the development is acceptable to the City Council as local planning authority in the interests of the visual amenity of the area within which the site is located, as specified in policies SP1, EN3 and DM1 of the Core Strategy.

4) Prior to occupation details of security measures shall be submitted to the local planning authority and agreed in writing by the local planning authority. The development shall not be occupied or used until the City Council as local planning authority has acknowledged in writing that it has received written confirmation of a secure by design accreditation.

Reason - To reduce the risk of crime pursuant to Policy DM1 of the Adopted Core Strategy for the City of Manchester.

5) The development hereby approved shall be implemented in full accordance with the measures as set out within the Environmental Standards Statement prepared by Energy Counsel (reference Z61922 rev B), received by the City Council as local planning authority on 18 July 2024 in association with planning application 140556/FO/2024.

Within 3 months of the completion of the construction of the authorised development a verification statement shall be submitted to and approved in writing, by the City Council as local planning authority, confirming the incorporation of the specified measures at each phase of the construction of the development, including dated photographic documentary evidence of the implementation and completion of required works.

Reason - In order to minimise the environmental impact of the development pursuant to policies SP1, T1-T3, EN4-EN7 and DM1 of the Core Strategy for the City of Manchester and the principles contained within The Guide to Development in Manchester SPD (2007) and the National Planning Policy Framework.

6) The development hereby approved shall be implemented in full accordance with the measures as set out within the Air Quality Assessment prepared by Energy Counsel (reference Z61922), received by the City Council as local planning authority on 18 July 2024 in association with planning application 140556/FO/2024.

Within 3 months of the completion of the construction of the authorised development a verification statement shall be submitted to and approved in writing, by the City Council as local planning authority, confirming the incorporation of the specified measures at each phase of the construction of the development, including dated photographic documentary evidence of the implementation and completion of required works.

Reason - In order to minimise the environmental impact of the development pursuant to policies SP1, T1-T3, EN4-EN7 and DM1 of the Core Strategy for the City of Manchester and the principles contained within The Guide to Development in Manchester SPD (2007) and the National Planning Policy Framework.

7) The surface water drainage scheme was approved as part of Condition Discharge application CDN/24/1198.

The development shall be constructed and completed in accordance with the approved details prior to the first occupation/use of the development.

Reason: To promote sustainable development, secure proper drainage and to manage the risk of flooding and pollution. This condition is imposed in light of national policies within the NPPF and NPPG and local policies EN08 and EN14.

8) Prior to the first occupation/use of the development hereby approved details of the implementation, maintenance and management of the surface water drainage scheme, as approved by Condition 7, shall be submitted for approval in writing by the City Council, as Local Planning Authority. Those details shall include:

- o Verification report providing photographic evidence of constructed flow control and SuDS components as per design drawings approved as part of Condition 7.
- o Provide As Built construction drawings OR confirm that they align with the original design construction drawings.
- o Management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public body or statutory undertaker, or any other arrangements to secure the operation of the sustainable drainage scheme throughout its lifetime.

The scheme shall be implemented and thereafter managed and maintained in accordance with the approved details.

Reason: To manage flooding and pollution and to ensure that a managing body is in place for the sustainable drainage system and there is funding and maintenance mechanism for the lifetime of the development pursuant to Policy DM1 in the Core Strategy Development Plan Document and the policies and guidance within the NPPF and NPPG.

9) Prior to first occupation of the development the cycle parking shall be implemented in full and made available for use. The approved scheme shall remain available for use whilst the development is occupied.

Reason - To ensure there is adequate bicycle parking provision, pursuant to policies DM1, T1 and SP1 of the Manchester Core Strategy.

10) The car parking layout indicated on the approved plans shall be surfaced, demarcated and made available for use prior to the buildings hereby approved being occupied. The car parks shall remain in use at all times thereafter.

Reason - To ensure that there is adequate car parking for the development proposed when the building is occupied, pursuant to policies DM1, T2 and SP1 of the Manchester Core Strategy.

11) Prior to occupation further details of the provision of electric vehicle charging points shall be submitted in writing for the approval of the local planning authority. These charging facilities shall thereafter be retained for the use of the dwellings.

Reason - To promote sustainable development and in the interests of residential amenity, pursuant to Policies DM1 and EN16 in the Manchester Core Strategy (2012).

12) Prior to the occupation of the development, a scheme of highway works, in order to provide an adequate pedestrian and vehicular environment in the vicinity of the application site, shall be submitted for approval in writing by the City Council, as Local Planning Authority. For the avoidance of doubt this shall include the following:

- Footway resurfacing;
- Dropped-kerbs/tactile paving.

Reason - To ensure safe access to the development site in the interest of pedestrian and highway safety pursuant to policies SP1, EN1 and DM1 of the Manchester Core Strategy (2012).

13) Within three months of the first use of the development, a revised Travel Plan which is consistent with the Framework Travel Plan submitted as part of application 140556/FO/2024 which takes into account the information about travel patterns gathered following the opening of the building shall be submitted to and approved in writing by the City Council as local planning authority. Any Travel Plan which has been approved by the City Council as local planning authority shall be implemented in full at all times when the development hereby approved is in use.

Reason - To assist promoting the use of sustainable forms of travel to the building, pursuant to policies SP1, T2 and DM1 of the Core Strategy and the Guide to Development in Manchester SPD (2007).

14) The Construction Management Plan was approved as part of Condition Discharge application CDN/24/1198. The development shall be constructed and completed in accordance with the approved details.

Reason: In the interests of safe operation of the adopted highway in the lead into development both during the demolition and construction phase of the development, pursuant to policies SP1, EN19 and DM1 of the Core Strategy for the City of Manchester.

15) A scheme for the storage and disposal of refuse was approved as part of Condition Discharge application CDN/24/1198.

The details of the approved scheme shall be implemented as part of the development and shall remain in situ whilst the use or development is in operation.

Reason - In the interests of residential amenity and to secure appropriate arrangements for the storage and collection of segregated waste and recycling, pursuant to policies SP1, EN19 and DM1 of the Core Strategy for the City of Manchester.

16) When the development within each phase commences, the development shall be carried out in accordance with the previously agreed Remediation Strategy (associated with planning application 140556/FO/2024) and a Completion/Verification Report shall be submitted to and approved in writing by the City Council as local planning authority.

In the event that ground contamination, groundwater contamination and/or ground gas, not previously identified, are found to be present on the site at any time before the development in each phase is occupied, then development shall cease and/or the development shall not be occupied until, a report outlining what measures, if any, are required to remediate the land (the Revised Remediation Strategy) is submitted to and approved in writing by the City Council as local planning authority and the development shall be carried out in accordance with the Revised Remediation Strategy, which shall take precedence over any Remediation Strategy or earlier Revised Remediation Strategy.

Reason - To ensure that the presence of or the potential for any contaminated land and/or groundwater is detected and appropriate remedial action is taken in the interests of public safety, pursuant to policies DM1 and EN18 of the Core Strategy.

17) a. Before the development hereby approved is occupied external lighting shall be designed and installed in accordance with a scheme approved in writing by the City Council as local planning authority so as to control glare and overspill onto nearby residential properties.

b. Prior to occupation of the development a verification report shall be required to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved light consultant's report. The report shall also undertake post completion testing to confirm that acceptable criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the criteria.

Reason - To safeguard the amenities of the occupiers of nearby properties as specified in policies SP1 and DM1 of the Core Strategy.

18) A scheme for the Acoustic Insulation was approved as part of Condition Discharge application CDN/24/1149. Prior to first occupation of the residential units, a verification report shall be required to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic consultant's report. The report shall also undertake post completion testing to confirm that the internal noise criteria have been met. Any instances of non-conformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the internal noise criteria.

Reason: To secure a reduction in noise from traffic or other sources in order to protect future residents from noise disturbance and to reduce the potential for overheating having regard to policies SP1 and DM1 of the Core Strategy and saved policy DC26 of the Unitary Development Plan.

19) a. Notwithstanding the Noise report submitted with application 140556/FO/2024. Externally mounted ancillary plant, equipment and servicing shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise sensitive location. Prior to commencement of the use hereby approved the scheme shall be submitted to and approved in writing by the City Council as local planning authority in order to secure a reduction in the level of noise emanating from the site. The scheme shall be implemented in full before the use commences or as otherwise agreed in writing by the City Council as local planning authority.

b. Prior to the operation of the scheme a verification report shall be submitted to and approved in writing by the City Council as local planning authority to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic report. The report shall also undertake post completion testing to confirm that the noise criteria have been met. Any instances of nonconformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.

Reason - To minimise the impact of the development and to prevent a general increase in pre-existing background noise levels around the site having regard to policies SP1 and DM1 of the Core Strategy and saved policy DC26 of the Unitary Development Plan.

20) Deliveries, servicing and collections, including waste collections shall not take place outside the following hours: 07:30 to 20:00, Monday to Saturday, no deliveries/waste collections on Sundays/Bank Holidays.

Reason - To safeguard the amenities of the occupiers of nearby properties as specified in policies SP1 and DM1 of the Core Strategy.

21) a) Fumes, vapours and odours shall be extracted and discharged from the premises in accordance with a scheme to be submitted to and approved in writing by the City Council as local planning authority before the use commences.

Mixed use schemes shall ensure provision for internal ducting in risers that terminate at roof level. Schemes that are outside the scope of such developments shall ensure that flues terminate at least 1m above the eave level and/or any openable windows/ventilation intakes of nearby properties.

b) Prior to commencement of the use hereby approved confirmation shall be submitted for the approval of the City Council as local planning authority that the approved scheme has been implemented.

Reason - To safeguard the amenities of the occupiers of nearby properties as specified in policies SP1 and DM1 of the Core Strategy.

22) No demolition works or vegetation clearance shall take place during the optimum period for bird nesting (1st March - 31st August inclusive) unless nesting birds have been shown to be absent, or, a method statement for the demolition including for the protection of any nesting birds is agreed in writing by the City Council, Local Planning Authority. Any method statement shall then be implemented for the duration of the demolition works.

Reason - In order to protect wildlife from works that may impact on their habitats pursuant to policy EN15 of the Manchester Core Strategy.

23) The details of the hard and soft landscaping treatment scheme as set out within the approved drawing references:

UG_2410_LAN_GA_DRW_101 REV P08 - Landscape General Arrangement Plan

UG_2410_LAN_SL_DRW_301 REV P06 - Landscape Soft Landscape Plan 1 of 2

UG_2410_LAN_SL_DRW_302 REV P06 - Landscape Soft Landscape Plan 2 of 2

received 30 June 2025, shall be implemented not later than 12 months from the date the buildings are first occupied. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.

Reason - To ensure that a satisfactory landscaping scheme for the development is carried out that respects the character and visual amenities of the area, in accordance with policies SP1, EN9 and DM1 of the Core Strategy.

24) In this condition "retained tree" means an existing tree, which is to be as shown as retained in Arboricultural Method Statement prepared by Urban Green and received by the local planning authority on the 08.08.2024 in association with planning application 140556/FO/2024, this condition shall have effect until the expiration of 5 years from the date of the first occupation of the development.

(a) No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than in accordance with the approved plans and particulars, without the written approval of the local planning authority. Any topping or lopping approved shall be carried out in accordance with British Standard 5387 (Trees in relation to construction)

(b) If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the local planning authority.

(c) The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.

Reason - In order avoid damage to trees/shrubs adjacent to and within the site which are of important amenity value to the area and in order to protect the character of the area, in accordance with policies EN9 and EN15 of the Manchester Core Strategy (2012).

25) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) none of the residential units hereby approved shall be used for any other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 as amended by The Town and Country Planning (Use Classes) (Amendment) (England) Order 2010, or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification) other than the purpose(s) of C3(a).

Reason - In the interests of residential amenity, to safeguard the character of the area and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Core Strategy for Manchester and the guidance contained within the National Planning Policy Framework.

26) Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any order revoking and reenacting that Order with or without modification) the apartments hereby approved shall be used only as private dwellings (which description shall not include serviced apartments/apart hotels or similar uses where sleeping accommodation (with or without other services) is provided by way of trade for money or money's worth and occupied by the same person for less than ninety consecutive nights) and for no other purpose (including any other purpose in Class C3(a) of the Schedule to the Town and Country Planning (Use Classes) Order 1987 as amended by The Town and Country Planning (Use Classes) (Amendment) (England) Order 2010, or in any provision equivalent to that Class in any statutory instrument revoking and reenacting that Order with or without modification) other than the purpose(s) of Class C3(a). For the avoidance of doubt, this does not preclude two unrelated people (who are not part of a single household or otherwise) sharing a property.

Reason - To safeguard the amenities of the neighbourhood by ensuring that other uses which could cause a loss of amenity such as serviced apartments/apart hotels do not commence without prior approval; to safeguard the character of the area, and to maintain the sustainability of the local community through provision of accommodation that is suitable for people living as families pursuant to policies DM1 and H11 of the Manchester Core Strategy (2012) and the guidance contained within the National Planning Policy Framework.

27) Notwithstanding the Town and Country Planning (General Permitted Development) Order 2015 as amended by the Town and Country Planning (Permitted Development and Miscellaneous Amendments) (England) (Coronavirus) Regulations 2020 or any legislation amending or replacing the same, no further development in the form of upward extensions to the buildings shall be undertaken save where it is authorised by the granting of planning permission.

Reason - In the interests of protecting residential amenity and visual amenity of the area in which the development is located pursuant to policies DM1 and SP1 of the Manchester Core Strategy (2012).

28) Each residential unit within the purpose-built Retirement Living housing development hereby approved shall be occupied in accordance with the submitted Affordable Housing Statement dated 30 June 2025 as amended by email dated 27.11.2025 with Statement relating to Allocations Policy and Residential Management Statement received 24 September 2024 associated with planning application 140556/FO/2024.

Reason - In the interest of amenity and to allow diversification of the housing stock, pursuant to policies DM1, SP1 of the Manchester Core Strategy.

29) A scheme for the Local Labour Proposal was approved as part of Condition Discharge application CDN/24/1149. Within one month prior to construction work being completed, a detailed report which takes into account the information and outcomes about local labour recruitment pursuant to items (i) and (ii) of Condition 29 attached to planning permission 140556/FO/2025 shall be submitted for approval in writing by the City Council as Local Planning Authority.

Reason - The applicant has demonstrated a commitment to recruiting local labour pursuant to policies SP1, EC1 and DM1 of the Manchester Core Strategy (2012).

30) Prior to first occupation of any approved terraces nearest to the north east boundary on the extra care and apartment block shall be fitted with a screens to the north eastern side of the terrace proposed. Full details of the screens including the design shall first be agreed in writing with the Local Planning Authority. The screens shall be retained at all times thereafter.

Reason - To protect the amenity and living conditions of adjacent residential property from overlooking or perceived overlooking and in accordance with policies SP1 and DM1 of the Core Strategy.

31) Prior to occupation of the development hereby approved the windows to the northeast boundary on the extra care and apartment block shall be made fixed and obscurely glazed to a specification of no less than level 5 of the Pilkington Glass Scale or such other alternative equivalent and shall remain so in perpetuity.

Reason - To protect the amenity and living conditions of adjacent residential property from overlooking or perceived overlooking and in accordance with policies SP1 and DM1 of the Core Strategy.

32) Each residential unit within the apartment led development hereby approved shall be occupied in accordance with the submitted Affordable Housing Statement dated 30 June 2025 as amended by email dated 27.11.2025 with Statement relating to Allocations Policy and Residential Management Statement received 24 September 2024 associated with planning application 140556/FO/2024.

Reason - In the interest of amenity and to allow diversification of the housing stock, pursuant to policies DM1, SP1 of the Manchester Core Strategy.

33) The development hereby approved shall be in full accordance with the submitted biodiversity gain plan. The development shall be subsequently carried out and maintained in accordance with the approved plan.

Reason - In the interests of biodiversity net gain being achieved on site pursuant to Core Strategy policy EN15, Places for Everyone Policy JP-G8 and schedule 7A of the Town and Country Planning Act 1990 as amended.

34) Notwithstanding the TV And Radio Impact Assessment received in association with application 140556/FO/2024, within one month of the practical completion of the development, and at any other time during the construction of the development if requested in writing by the City Council as Local Planning Authority, in response to identified television signal reception problems within the potential impact area a study to identify such measures necessary to maintain at least the pre-existing level and quality of signal reception identified in the survey carried out above shall be submitted for approval in writing by the City Council, as Local Planning Authority. The measures identified must be carried out either before each phase is first occupied or within one month of the study being submitted for approval in writing to the City Council as Local Planning Authority, whichever is the earlier.

Reason - To provide an indication of the area of television and radio signal reception likely to be affected by the development to provide a basis on which to assess the extent to which the development during construction and once built, will affect television reception and to ensure that the development at least maintains the existing level and quality of television signal reception - In the interest of residential amenity, as specified in policy DM1 of Manchester Core Strategy (2012).

Informatives

1. Construction works shall be confined to the following hours: Monday - Friday: 7.30am - 6pm
Saturday: 8.30am - 2pm Sunday / Bank holidays: No work
