Subject: Tree Pruning Notification – Conservation Area

Dear John,

Thank you again for your helpful advice on the phone today.

I'm writing to confirm proposed tree works at my property. The works will include:

- 1–2m lateral pruning (property side only) of laurels, rhododendrons, holly, and robinia on the side boundary, where they are overhanging the house.
- Light pruning of rhododendrons at the front (property side only) of the property.
- 1–2m lateral pruning of overhanging beech trees at the rear (property side only) of the garden.

Please note that no trees are to be removed — this is purely pruning work to maintain shape and clear overhanging branches, especially those close to the house. These trees are not subject to Tree Preservation Orders, and the last pruning was carried out in 2019.

Please let me know if you need any further details,

Kind regards,

James Corrin.

15 Didsbury Park,

Manchester M20 5LH.
