John,

14 York Road Manchester M21 9HP - 145104/TCA/2026

The applicant has proposed to carry out the following pruning works:

T1 Robinia tree Reduce crown by 2.5 metres in order to gain more light.

You can see from the silhouette of the tree, that this work has been previously carried out.

I can confirm that we would have no objection to this proposed routine tree size management.

Kind regards
