I am writing to express my full support for the renewal of planning permission for the Marquee at the British Muslim Heritage Centre.

The BMHC is a place of worship, serving the spiritual, religious, and community needs of a large population in Manchester. The marquee is essential because it directly supports the initiatives and programmes taking place in the Heritage building, providing additional capacity that the main building alone cannot accommodate.

The marquee enables the Centre to host key activities such as Jumm'ah prayers, Taraweeh during Ramadan, Funeral prayers, Eid festivals, youth sessions, educational programmes, and many other community events. Without this space, the Centre would struggle to safely and effectively manage the large congregations and activities that occur throughout the year.

Its continued presence helps maintain community cohesion, ensures worshippers are not displaced into surrounding streets, and allows the BMHC to fulfil its role as a vital faith and heritage institution.

I strongly urge that planning permission be renewed so the BMHC can continue providing these essential services.

Thank you for considering my support.
