Comment Details

Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: The British Muslim Heritage Centre provides a sanctuary and community hub for muslims in the NW of England. As an attendee at the mosque it is invaluable as a safe haven for women to worship in separate facilities from the men, which is the purpose of the marquee. This temporary structure has been in place for three years with no adverse consequences and therefore it may continue for another three years as there is no reason to refuse planning permission.
