Why do you consider that a Lawful Development Certificate should be granted for this proposal?

A Lawful Development Certificate should be granted for this proposal as the works involve a loft conversion with a rear dormer to create an additional bedroom within an existing residential property. The proposal constitutes permitted development under the General Permitted Development Order (GPDO), as it complies with the relevant limitations and conditions set out for loft conversions, including volume limits, height restrictions, and external alterations.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
