honestly, this place has been great for bringing everyone together people from all different backgrounds show up to the events, and it been really nice because these days everyone is so busy you hardly get time to meet anyone. the get-togethers have helped me and my family connect with others, and it's good to see different age groups all mixing - from the younger ones to the older lot.

Most of the events have been relaxed and friendly, and we've enjoyed them every time. For Whalley Range, this has been a really good addition, and I'm glad it's here.

Suggestion:

A bit more security would make things even better.

I've lived in this area for a while and never had any issues. These events give people a good chance to meet, chat, and think about things together for the future.
