Comment Reasons:

Comment: The marquee is an essential component to the Muslim Heritage centre bringing families together for numerous reasons. From Friday prayer to Eid to special celebrations in the community. I've witnessed multiple friends get married here where the marquee has been the outstanding reason for booking the centre as a venue.

It is very important to the people living near the Muslim heritage centre that the marquee stays open. It also attracts members of the public all across Manchester and even tourists in the city on these special occasions and events, showing the importance of the additional marquee. I'd really appreciate if you take this application in to account in extending the time for marquee. Many thanks.
