Stance: Customer made comments in support of the Planning Application
Comment Reasons:
Comment:Due to the size of the Muslim Heritage Centre main building it needs a large open space for community gatherings. The Centre attracts visitors from across the north of England. The marquee is ideal for conferences and being adjacent to the main building the marquee allows people to come together for spiritual and social gatherings. I would like to support the application for a further 3 years to allow time for a permanent solution to be found.
