Comment Reasons:

Comment: We need this for the Muslim Community, so we can continue having essential community activities such as Jumm'ah salah communal prayers, Taraweeh communal prayers, Funeral prayers, Eid festivals, and many other events.

The marquee supports the initiatives and programmes taking place in the Heritage building.

Surely positive community initiatives, that benefits the wider community, should override 1st world problems such as traffic/parking issues. There are volunteer stewards on hand to assist at all times as well.
