Comment Reasons:

Comment: I'm writing to express my full support for MyLahore Marquee and to kindly ask that its planning permission be approved.

I had my own wedding at the marquee few years ago and it was genuinely one of the best experiences of my life. The team went above and beyond to make sure every detail was perfect; from the décor and coordination to the food that all our guests still talk about to this day. The level of care and professionalism was second to none and I can say with confidence that no other venue in Manchester even comes close.

Because of how incredible my experience was, my family and I were planning to hold another family wedding there next year. We didn't even think twice about where to book, it was always going to be MyLahore Marquee. It's become a special place for our family, filled with beautiful memories and it's heartbreaking to think that future brides may not get to experience what we did.

The marquee has become a cornerstone for celebrations in our community. Losing it would genuinely take away something that brings pride and joy to so many of us in Manchester.
