Condition No 11: EV Charging		Date	Action
11.1	Prior to commencement of the development, a scheme for electric vehicle charging shall be submitted to and approved in writing by the City Council as local planning authority.		

	a) Prior to occupation of the development any agreed mitigation measures shall be implemented and verified as such in writing by the City Council as local planning authority and shall remain in situ whilst the use or development is in operation.		
11.2	Drawing submitted: CL-BTP-00-SP-DR-A-3809_209 - EV Charging Plan	18.04.24	BTP
11.3	Vehicle charging point can be considered fully discharged based upon the submitted vehicle charging point plan ref 209 submitted 3rd of May 2024. The approved scheme shall be implemented and maintained for use so long as the development is occupied.	25.07.24	MCC

Condition No 12: Boundary Treatment		Date	Action
12.1	Prior to the first occupation of the development the Boundary Treatment shall be implemented in accordance with the approved plans 'Drawing-Proposed- Boundary Treatment, numbered 107 Rev C, stamped as received by the City Council as Local Planning Authority on 8 February 2023. The approved details shall be retained in accordance with the details and maintained in situ thereafter.		

Condition No 13: Hard and soft Landscaping		Date	Action
13.1	Prior to occupation, details of a hard and soft landscaping scheme shall be submitted to and approved in writing by the City Council as local planning authority and once approved shall be implemented not later than 12 months from the date the buildings are first occupied. If within a period of 5 years from the date of the planting of any tree or shrub, that tree or shrub or any tree or shrub planted in replacement for it, is removed, uprooted or destroyed or dies, or becomes, in the opinion of the local planning authority, seriously damaged or defective, another tree or shrub of the same species and size as that originally planted shall be planted at the same place.		
13.2	File submitted: - 7098.01C Cross Lane 1 to 200 Mar 25	18.03.25	BTP
13.3	The information submitted with the planting schedule 7098.01 Rev C has more than adequate native species to be planted, and as such if the landscaping scheme hereby agreed is implemented within 12 months from the date the buildings are first occupied then condition 13 will have been complied with.	16.05.25	MCC

Condition No 14: Bicycle Storage		Date	Action
14.1	Prior to first use, details of the specifications, elevations, siting and appearance of the secured cycle storage shall be submitted to and approved in writing by the City Council as local planning authority. The		

	agreed details shall be fully implemented prior to the first use of development, retained and maintained thereafter.		
14.2	File submitted: - 3809_bike shed	18.03.25	BTP
14.3	The information submitted for the Shedstore Forest double door overlap wooden bike shed has been assessed and is considered acceptable, therefore subject to the implementation of these agreed details condition 14 can be fully discharged.	16.05.25	MCC

Condition No 15: Biodiversity Enhancements		Date	Action
15.1	Before the occupation of the authorised dwellinghouses, a scheme to encourage biodiversity within the application site shall be submitted to and approve in writing by the City Council as local planning authority, including the provision measures to encourage habitats for native species and bird and, if appropriate, bat species. The development shall be implemented in accordance with approved scheme prior to the occupation of the authorised properties and shall be maintained in situ thereafter.		
15.2	File submitted: - 81-131-002 Rev 2 Biodiversity Enhancement Plan - Cross Lane Manchester	18.03.25	BTP
15.3	The information submitted on the Biodiversity Enhancement Plan ref 81-131-002 showing the location and detailing of the proposed bat and bird boxes dated 18th March 2025 are considered acceptable and therefore these agreed details should be implemented within the development prior to occupation to ensure compliance with condition 15.	16.05.25	MCC

Condition No 16: Tree Works		Date	Action
16.1	All tree work should be carried out by a competent contractor in accordance with British Standard BS 3998 "Recommendations for Tree Work".		

Condition No 17: Trees		Date	Action
17.1	In this condition "retained tree" means an existing tree, shrub or hedge which is to be as shown as retained on the approved plans and particulars; and paragraphs (a) and (b) below shall have effect until the expiration of 5 years from the date of the occupation of the building for its permitted use. a) No retained tree shall be cut down, uprooted or destroyed, nor shall any retained tree be topped or lopped other than in accordance with the approved plans and particulars, without the written approval of the local planning authority. Any topping or lopping approved shall be carried out in accordance with British Standard 5387 (Trees in relation to construction)		

	<p>b) If any retained tree is removed, uprooted or destroyed or dies, another tree shall be planted at the same place and that tree shall be of such size and species, and shall be planted at such time, as may be specified in writing by the local planning authority.</p> <p>c) The erection of fencing for the protection of any retained tree shall be undertaken in accordance with the approved plans and particulars before any equipment, machinery or materials are brought on to the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus materials have been removed from the site. Nothing shall be stored or placed in any area fenced in accordance with this condition and the ground levels within those areas shall not be altered, nor shall any excavation be made, without the written consent of the local planning authority.</p>		
--	---	--	--

Condition No 18: Site Clearance		Date	Action
18.1	No vegetation clearance shall take place during the optimum period for bird nesting (March- September inclusive) unless nesting birds have been shown to be absent, or, a method statement for the demolition including for the protection of any nesting birds is agreed in writing by the City Council, Local Planning Authority. Any method statement shall then be implemented for the duration of the demolition works.		

Condition No 19: Secure by Design		Date	Action
19.1	<p>Prior to occupation, details of the measures to be incorporated into the development (or phase thereof) to demonstrate how secure by design accreditation will be achieved have been submitted to and approved in writing by the City Council as local planning authority. The development shall only be carried out in accordance with these approved details at all times thereafter.</p> <p>The development hereby approved shall not be occupied or used until the Council as local planning authority has acknowledged in writing that it has received written confirmation of a secured by design accreditation.</p>		
19.2	<p>Files submitted:</p> <ul style="list-style-type: none"> - SBD-Certificate-Cross Lane 	23.01.26	BTP

Condition No 20: Affordable Housing		Date	Action
20.1	<p>Upon first the occupation of the authorised houses, the development shall be fully implemented in accordance with the following document 'Supporting Information- Affordable Housing Statement', stamped as received by the City Council as Local Planning Authority on 8 Feb 2023, which confirms the provision of a total of 5 residential units for Social Rent in relation to the Cross Lane / Chapman Street, Roxburgh Street site.</p> <p>The approved details shall be retained in accordance with the requirements of the statement at all times thereafter.</p>		

20.2	Clarification sought regarding wording of condition.	01.11.23	BTP
20.3	As long as it is implemented as per the Affordable Housing Statement, the typo in condition 20 to say social instead of affordable would not over ride it.	01.11.23	BTP

Condition No 21: Permitted Development Rights		Date	Action
21.1	Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) no garages, extensions, additional fenestration, roof alterations, porches or outbuildings shall be erected other than those expressly authorised by this permission.		

Condition No 22: Use Class		Date	Action
22.1	Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) no part of the residential units shall be used for any other purpose (including any other purpose in Class C3 of the Schedule to the Town and Country Planning (Use Classes) Order 1987 as amended by The Town and Country Planning (Use Classes) (Amendment) (England) Order 2015, or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification) other than the purpose(s) of C3(a) not precluding occupation by two unrelated people sharing a property.		

Condition No 23: Dwelling Use		Date	Action
23.1	Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 as amended by The Town and Country Planning (General Permitted Development) (Amendment) (England) Order 2010 (or any order revoking and re-enacting that Order with or without modification) the dwelling houses hereby approved shall be used only as private dwellings (which description shall not include serviced apartments/apart hotels or similar uses where sleeping accommodation (with or without other services) is provided by way of trade for money or money's worth and occupied by the same person for less than ninety consecutive nights) and for no other purpose (including any other purpose in Class C3(a) of the Schedule to the Town and Country Planning (Use Classes) Order 1987 as amended by The Town and Country Planning (Use Classes) (Amendment) (England) Order 2010, or in any provision equivalent to that Class in any statutory instrument revoking and re-enacting that Order with or without modification) other than the purpose(s) of C3(a).		

Condition No 24: Equipment Noise Impact		Date	Action
24.1	a) Externally mounted ancillary plant, equipment and servicing shall be selected and/or acoustically treated in accordance with a scheme designed so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level at the nearest noise		

	<p>sensitive location. Prior to commencement of the use hereby approved the scheme shall be submitted to and approved in writing by the City Council as local planning authority in order to secure a reduction in the level of noise emanating from the site. The scheme shall be implemented in full before the use commences or as otherwise agreed in writing by the City Council as local planning authority.</p> <p>a) Prior to the operation of the scheme a verification report shall be submitted to and approved in writing by the City Council as local planning authority to validate that the work undertaken throughout the development conforms to the recommendations and requirements in the approved acoustic report. The report shall also undertake post completion testing to confirm that the noise criteria have been met. Any instances of nonconformity with the recommendations in the report shall be detailed along with any measures required to ensure compliance with the agreed noise criteria.</p>
