

Section Elevation, Existing

Section Elevation, Proposed

Disclaimer:

All dimensions and measurements are provided for general guidance only. The contractor is solely responsible for verifying exact dimensions, fitting, and installation on site.

Where any discrepancies arise between the details outlined in this drawing/specification and the known site conditions, the contactor is to inform the lead designer and client for clarification and further instructions before any works can proceed.

Construction Notes:

1. Existing section detail, with timber wall plate, narrow cavity external wall construction, fascia board, rainwater gutter and double glazing window units

2. Proposed section detail, with timber wall plate, narrow cavity, external wall insulation, fascia board, soffit box, rainwater gutter and triple glazing window units.

3. External wall insulation locations.
