Details of the pre-application advice received

I can't really argue against the principle of apartments on the site given the consent for 5 apartments at no. 8 and 6 apartments at no. 12. We may have an issue with the 7 you are proposing with only 5 parking spaces, but we'll have to wait to see what Highways colleagues think. No doubt you're aware of the appeal decision in respect of no. 8 Deerpark Road. We had issues with the over intensification of no. 8 but PINS didn't agree with us!

You're in the conservation area and Flood Zone 2 and 3, so the Design and Access Statement/Heritage will have to make reference to the former and explain impacts etc, while a Flood Risk Assessment will be needed for the latter. Basement accommodation might well raise eyebrows with our Flood Risk Management Team.

Give thought to how lost trees are to be replaced, as well as the provision of bio-enhancements like bird and bat boxes. An Arboricultural Impact Assessment and Tree Survey will be needed, as well as a completed Waste Management Strategy. You'll also need to check whether or not a BNG metric will need to be submitted - I have a feeling it does.

You'll also need to submit a schedule of accommodation (floor areas), so we can check the correct amount is being provided.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

◯ Yes
⊘ No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)

Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.

Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days?

⊘ Yes
◯ No

Is any of the land to which the application relates part of an Agricultural Holding?

◯ Yes
⊘ No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

*** "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.**

**** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.**

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
