Comment Reasons:

Comment: I am writing as part of a group [REDACTED] and also as an individual.

As a group we have used the marquee for community events that have been excellently run and much needed in a separate marquee compared to using the building due to its size and separate out building there is nothing else that is suitable or comparable in the south manchester region.

I have used it as an individual to attend some weddings there and also used for Friday prayers.

As the venue has its own vast car parking space this reduces potential issues of weddings and Friday prayers being held elsewhere and causing additional congestion there.
