Dear Jennifer,

Eliza Yard (130354/FO/2021) – Condition 7c (Remediation Completion/Verification Report)

Please find enclosed the following information to support the above-named Condition.

- 076740-CUR-XX-XX-T-GE-00005-P01 – Interim Remediation Verification Report

As outlined in the Report, John Sisk will submit an updated version of the report which will include the depth verification testing, as soon the work has been completed on site.

Please do not hesitate to contact me should you require any further information.

Yours sincerely,

Jack Whetton
Design Manager
