

ALL DIMENSIONS TO BE CHECKED ON SITE PRIOR TO ANY MANUFACTURING OR FABRICATION AND ANY ANOMALIES TO BE BROUGHT TO THE ATTENTION OF THE ARCHITECT

A photograph of a dark blue double door with ventilation slats and a 'Please Wait' sign, set in a brick wall. The door has two large vertical handles and a small sign that says 'Please Wait' with a warning symbol. The door is set in a brick wall, and there is a small white light fixture above it.

Architectural drawings of a 1.5m x 1.5m x 2.5m concrete pier. The drawings include a front elevation, two side elevations, and a rear elevation. The pier is constructed with a granite plinth, Portland stone slips, and a GRC pier cap. The front elevation shows a central opening. The side elevations show the pier's profile and foundation details. The rear elevation shows the pier's profile and foundation details. The foundation depth is subject to ground conditions. The pier is shown with a 450mm height and 7 No. LV 125mm ID ducts.

Labels for the elevations:

- FRONT ELEVATION: GRC PIER CAP, PORTLAND STONE SLIPS, GRANITE PLINTH
- SIDE ELEVATION: 450, 7 No. LV 125mm ID DUCTS, FOUNDATION DEPTH SUBJECT TO GROUND CONDITIONS
- REAR ELEVATION
- SIDE ELEVATION: GRC PIER CAP, PORTLAND STONE SLIPS, GRANITE PLINTH
