- DAY Architectural Ltd does not warrant or take responsibility for any costs, losses or claims whatsoever arising from these drawings, specifications and related documents unless there is full compliance by the intended recipient or user with the following:
- All dimensions, dimensions and levels are to be checked on site before construction and any discrepancies reported to the Architect / Designer prior to commencement of any work.
 - Partial Services: Any dimensions with site or other information is to be adjusted to the Architect / Designer and checked and / or approved to be sought before the implementation of the detail.
 - Block and site plans are reproduced under license from the Ordnance Survey.
 - Do not scale off drawings. Any measurements taken from information which is not dimensioned on the electronic copy are at the risk of the recipient.
 - For the purpose of coordination, all relevant parties must check this information prior to implementation and report any discrepancies to the Architect / Designer. The information must be used only for the coordination and construction of the current project. The information is only for use in preparation of documents for the project. The information must not be used for any other purpose.
 - The copyright of the original documents belongs to DAY Architectural Limited. The information must not be used for any other purpose.
 - The recipient is responsible for verifying the correctness and completeness of the information received. The recipient is responsible for ensuring all relevant associated documents (including but not limited to information provided by the Client / Structural Engineer, MEP Engineer(s), Fire Engineer, Acoustic Engineer, Highway Consultant, Flood Risk Assessor, Party Wall Assessor and any other project designers) are supplied during the course of the project and by confirming dimensions on site.
 - It is the responsibility of the recipient to ensure they have the most up-to-date information.
 - If altered or added to in any way, all references to DAY Architectural Limited must be removed and those making the changes assume total responsibility for the information therein.
 - The Architect does not warrant that planning permission, Building Control/Building Safety Regulator Approval and other approvals from third parties will be granted in full or, if granted, will be granted in accordance with any anticipated forecasts. All designs provided are subject to such approval.
 - Any reproduction, copying, distribution or use of any part of this drawing without the written consent of DAY Architectural Limited shall render the user liable for any copyright or infringement liability for such design however provided otherwise.
