First Schedule

Erection of a single storey rear extension following demolition of existing rear bay window

Second Schedule

18 Broughville Drive
Manchester
M20 5WH

Manchester City Council are not satisfied that on 30 October 2025 the use/operations described in the First Schedule in respect of the land specified in the Second Schedule and more particularly identified on the plan attached to this certificate edged in red, was lawful within the meaning of section 192 of the Town and Country Planning Act 1990 (as amended), for the following reason(s):

1) The proposed single storey rear extension as shown on drawing number P2E11082025, does not constitute permitted development, as it fails to accord with Part 1, Schedule 2, Class A.1(j)(iii) of the Town and Country (General Permitted Development) Order 2015 (as amended).

The proposed enlargement will extend beyond the wall forming the side elevation of this original rearward projection and then extend beyond its rear wall and encompass it; a width greater than half the width of the original dwellinghouse will therefore result and an application for planning permission would therefore be required for the proposed extension.

Date: 24 December 2025
