

Area No.	Previous BNG Classification	Revised BNG Classification	Comments
1.	Vegetated Garden (Previously Other Neutral Grassland within REV1, REV2.	Vegetated Garden	Area is within dwelling curtilage. In first revision (REV1 and 2), this area was classified as ONG before clarification on POS within private curtilage.
2.	Other Neutral Grassland	Vegetated Garden	Area previously classified as other neutral grassland within previous iterations. Now classified as vegetated garden, as within private curtilage.
3.	Vegetated Garden	Modified Grassland	Area adjacent to bin storage area classified as POS, therefore can be classified as modified grassland.
4.	Vegetated Garden (Previously Modified Grassland within REV1, REV2)	Vegetated Garden	Area of supporting lawn area, classified as modified grassland within first revisions, now classified as vegetated garden as within private curtilage.
5.	Vegetated Garden (Previously Modified Grassland within REV1, REV2)	Vegetated Garden	Area of supporting lawn area, classified as modified grassland within first revisions, now classified as vegetated garden as within private curtilage.
6.	Other Neutral Grassland	Introduced Shrub	Area of POS between parking and hard standing areas, previously classified within metric as other neutral grassland, but labelled within latest landscape plan as 'ornamental planting', best

			characterised as vegetated garden. A very small section of this area labelled 6 is also modified grassland area, adding to the total of modified grassland within the metric.
