Comment Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object to this development based on the below:

1. Over development - too many apartments in a small area and not enough parking spaces, leading to further congestion on the roads.
2. Less than 1/3 of the original shopping space, leading to the loss of a Chorlton shopping centre.
3. The height of the tower blocks do not reflect the local architecture.
