Comment Details

Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: The marquee has been a very much needed and amazing structure that has been able to help myself a practising person as I have been able to use it for my worship purposes. This structure has been used by myself and my entire family. This helped my community as a whole so much and would love to see it stay as the benefits for it have been amazing and many. Please keep this amazing initiative to keep serving its community
