Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: Please grant the marquee a license to operate for the following and subsequent years to allow for people to attend a place of worship with ease, and in the most convenient place for the community. The temporary structure forms part of an important factor in bringing different cultures and languages, to create a thriving peaceful loving community. The community can express their issues, or work on solving issues of the wider community as a whole, whether part of the heritage centre community, or the local area.
