Comment: Dear sirs

I fully support the application to grant permission for the marquee to continue doing all the good in the community that it is well known for. I have attended multiple events over last few years at the marquee where various communities had a chance to build bridges. BMHC played a pivotal role in Manchester for both Muslim and non Muslim communities. It's a place where we celebrate our cultures with each other. It's a platform for the whole community and it is a place for everyone to use. The marquee itself is a place where all the celebrations take place and we need more of such venues not less. I know the BMHC management does everything possible to minimise disruption to the neighbourhood. Many cultural activities that we love doing are not even allowed as they may inconvenience the neighbours. In short the management has a clear insight into the pros and cons of having the marquee and they go over and above their limitations to fulfil their duty as responsible event organisers. I request u to consider this important aspect before making any decision. Thank you.
