Comment Reasons:

Comment: I would like to express my full support for granting permission for the BMHC Marquee for the next three years.

I visit the marquee every Friday to offer Jummah prayers, and I have always found it to be a peaceful, well-managed, and respectful space. It provides an essential facility not only for religious gatherings but also for social and community events that bring people together in a positive way.

The marquee plays an important role in serving the needs of the local community, offering a safe and organised environment that is accessible to all. Its continued use would greatly benefit residents and visitors who rely on it for worship and community engagement.

I kindly ask the Council to approve the application and allow this valuable community resource to continue operating.

Thank you for considering my comments.
