Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: Great to see these plans finally submitted, Chorlton Cross is a prime spot and the area is suffering the longer this lays vacant. Having played a small part on enhancing the hoarding design around the scheme and speaking to many local businesses, residents and community groups, there is a real need to bring the high street back up to a level that is on par with other suburbs like Didsbury and the emerging Stockport.
