Comment Reasons:

Comment: My Lahore Marquee is such a brilliant venue and are very popular in the wedding industry. They have always been amazing to their customers and have always followed the rules not allowing songs or fireworks or any kind of loud noise outside.

I had a personal experience with them during my brothers wedding and intend to use their venue for my other brothers wedding, however I am shocked to hear that they may not be able to continue at the venue.

The reason I am shocked is because they have always worked within guidelines and still provided a phenomenal customer experience and very much praised by many. My Lahore Marquee closing down will affect people as it's the go to venue. I seriously hope that this decision can be reconsidered.

Thank you.
