Comment Details

Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I'm supportive of the building and structure as it's a great space for community events and gatherings. It has plenty of space to accommodate large events and ample parking. We have held a family wedding there and the arrangements and set up were beautiful. I feel the extension should be accepted as it's a great addition to the area and community.
