Part 1 – Particulars of the application/development

Proposal: Roof extension to enlarge the second floor flats and the addition of a verandah to the class E units on the ground floor.

Location: 330 Slade Lane, Manchester, M19 2BY

Date of application: 1 October 2025

Application number: 143861/FO/2025

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Refused** in accordance with the application and plans submitted for the reason(s) listed below.

Article 35 Declaration

In this case, officers advised the applicant's agent that the planning application could not be supported and the reasons for this. The response for the agent was considered, including confirmation that if the position of the local planning authority was to refuse permission and appeal may be pursued. As the development cannot be supported it is appropriate for the planning application to be determined without further discussion and on the basis of the submitted details.

Reason(s) for decision

1) Due to its design, scale and massing and prominent position within the street scene, the proposed front dormer extension results in an overly dominant and visually obtrusive feature, to the detriment of the general character of the property and the visual amenity of the local area within which it is situated. The proposal is therefore contrary to policies SP1, EN1 and DM1 of the Manchester Core Strategy (2012), and the design principles set out in the National Planning Policy Framework.

Date: 10 December 2025

Signed: 

Julie Roscoe
Director of Planning, Building Control & Licensing

However, if an enforcement notice has been served for the same or very similar development within the previous 2 years, the time limit is:

- 28 days from the date of the LPA decision if the enforcement notice was served before the decision was made yet not longer than 2 years before the application was made.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision. The Inspectorate will publish details of your appeal on the internet. In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase their interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them.
