Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I have been going to this place to perform jumuah prayer for last 6 years and every other week I feel they are improving, my kids go there for congregation jumuah prayer and I have found them one of the best in Manchester in their prayer Khutba they include whole British people as an unit regardless of their race region or religion so I have learnt alot from them and hoping to keep learning in coming years
