Comment Reasons:
Comment:The marquee plays a vital role for wider community in Manchester. it's not only a place of worship but also offers a lot of other services including weddings. I have attended many weddings in the marquee. [redacted] Everyone loved the venue. Quite a few people have since asked me the details as they would like their children to get married in here. It's so convenient to have such an excellent venue locally especially for elderly people who have mobility issues.
It is well maintained throughout the year. I would highly appreciate if the application for the extension can be granted.
