Comment Reasons:

Comment: It is an amazing and beautiful place for worshiping and celebration of all kinds. It serves the community. People come together where both religions and ceremonies can be celebrated in the heart of Manchester. Everyone that has visited the place for worshiping or celebrating they have LOVED what the place had to offer, a listed building, a garden view and a beautiful park like atmosphere. We had our son's wedding there, all our non-Manchester guests loved the place and what it offered both spiritually and a brilliant place for celebration. It is a place where all our needs are being met so it will be a tremendous loss to the community should it not be active anymore.
