Comment Reasons:

Comment: The Marquee plays a vital role in the initiatives and community programs held within the Heritage building. This location serves as an established place of worship for Muslims throughout Greater Manchester, offering facilities for Friday prayers, Ramadan Taraweeh prayers, Eid festivals, funeral prayers, and other religious gatherings. The absence of such a space would significantly restrict the ability of community members, both near and far, particularly within the Muslim community, to meet their religious obligations. Planning permission is essential to allow the work and community support alongside the Heritage building to continue concurrently.
