Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: This is a much needed place of worship, which acts as a hub for the community.

Would we consider taking similar action to disrupt the activities of any other religious community such as against a Jewish place of worship, against one for the Christians, Hindus, Sikhs or Buddhists, for example?

At a time when sense of community and places of worship designed to unite, uplift and enrich Manchester & its people are much needed, it would behove us to look favourably upon this application. Thank you.
