Address: Not Available

## Comment Details

Commenter Type: Neighbour

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I have been living next door to the heritage centre for years and believe they are upbringing a positive and long-standing community within the area. The marquee is an essential part of the centre providing weekly congregational prayer for the muslims and several events used in a positive light therefore should be allowed to remain as a part of the centre's buildings.
