Comment Reasons:

Comment: The marquee has been a valuable addition to British Muslim Heritage Centre which a place for families to practice their religion in peace without intervening with the local community. the project is an essential for the wellbeing of Muslims at all ages and a place where education how to respect the community is reiterated. I believe it is our responsibility to ensure the young generations are aware of their responsibilities for themselves, parents and community as whole. This can be accommodated the demands during important and spiritual periods of the Muslims calendar. I support the application.
