Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: The marquee at the British Muslim Heritage Centre is a place of worship and the marquee supports initiatives and programmes taking place in the heritage building. Without the marquee, significant people would face difficulties in accessing a space for Friday, Eid and Ramadan prayers - as the marquee space holds many people allowing the space to be accessible and inclusive to many who are unable to access other spaces elsewhere including women and children. I would urge the council to approve the planning for the structure so that the community may benefit from the space.
