

Existing Layout

Drawing above indicates the current existing flat layout. Extract was taken from drawing 9793 from the Ratcliffe groves partnership as part of Ascend Properties planning approval 111748/LO/2016/N1 on the 4th of May 2016

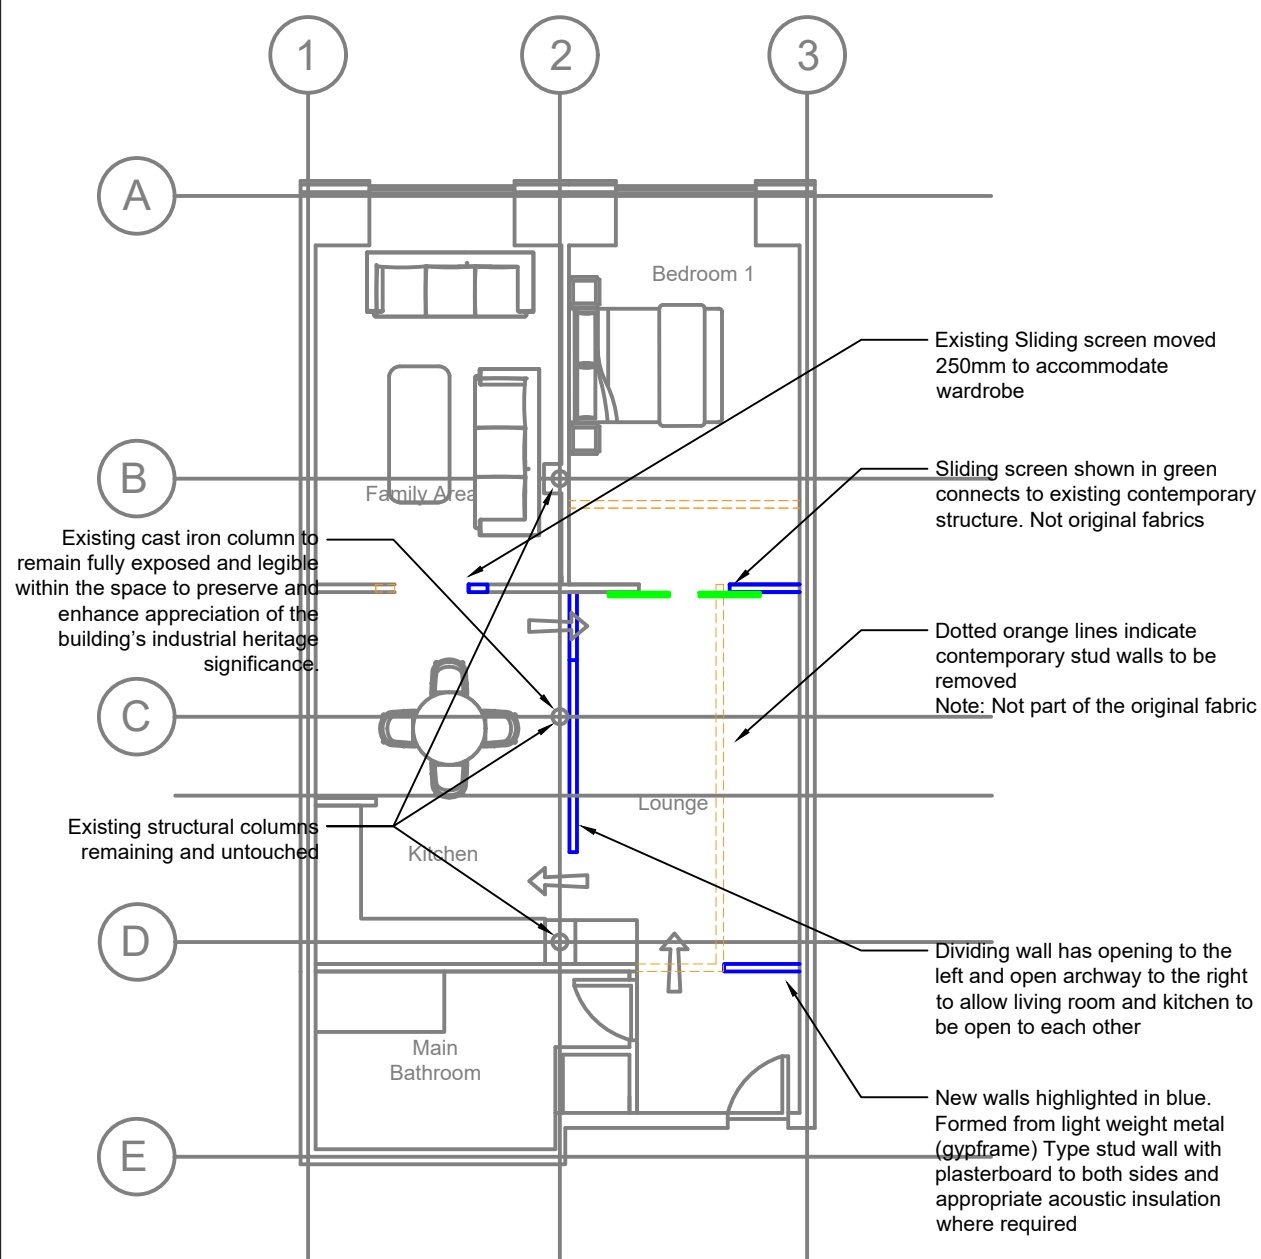

Within this drawing - the Clouded walls A and B are part of the works changed within the 2016 approved refurbishment. The material of these walls are as follows "light weight metal (gypframe) type stuff with plaster board to both sides.

Legend

- New Stud walls
- - - Contemporary stud walls to be removed

Note: All stud construction to be fixed to existing contemporary fabric not original masonry structure

PLANNING REFERENCE NOTE:
The internal layout shown is consistent with the alterations approved under Manchester City Council Listed Building Consent 111748/LO/2016/N1, granted on 4 May 2016 for internal alterations to apartments within the South East Mill, Victoria Mill (Ascend Properties). The proposals replicated and updated layouts from consent 108840/LO/2015/N1 (8 May 2015).
