MANCHESTER CITY COUNCIL

Important – Planning permission & notices of consent

Compliance with conditions

- Your planning approval or consent is attached. It will contain conditions that you must comply with.
- Please read the conditions and understand their requirements and restrictions, for example submission and approval of details or measures to protect trees.
- Some conditions will require action before you start development and it is imperative that you seek to have these discharged before any work commences.
- Whilst every effort has been made to group conditions logically, it is your responsibility to ensure that you are aware of the requirements and/or restrictions of all conditions.
- If you fail to comply with the conditions this may result in a breach of planning control and this may lead to enforcement action.
- Failure to comply with conditions may also result in the development not being lawful.
- It is in your interests to demonstrate that conditions have been complied with. Failure to do so may cause difficulties if the property is sold or transferred.
- A fee is payable for each request to discharge conditions.
- For advice on any of these matters, please contact Planning, Manchester City Council, PO Box 532, Town Hall, Manchester M60 2LA or email planning@manchester.gov.uk

MANCHESTER CITY COUNCIL

Town & Country Planning Act 1990 (as amended)

Planning Permission

Applicant

Mr Haris Qureshi
Zafroz Bakery
512 Wilbraham Road
Manchester
M21 9AW

Agent (if used)

Mr Rahat Anwar
RA Design & Project Management Ltd
Suite 4
The White House
42-44 Chorley New Road
Bolton
BL1 4AP

Part 1 – Particulars of the application/development

Proposal: Installation of extraction flue at rear

Location: 512 Wilbraham Road, Manchester, M21 9AW

Date of application: 8 September 2025

Application number: 143709/FO/2025

Part 2 – Particulars of decision

Manchester City Council gives notice that the development referred to in Part 1 has been **Approved** in accordance with the application and plans submitted subject to the condition(s) listed below (if any).

Article 35 Declaration

Officers have worked with the applicant in a positive and proactive manner based on seeking solutions to problems arising in relation to dealing with the planning application. Issues have arisen during the consideration of this application and the officer negotiated with the agent to reach a satisfactory resolution.

Condition(s) attached to this decision

1) The development must be begun not later than the expiration of three years beginning with the date of permission.

Reason - Required to be imposed pursuant to Section 91 of the Town and Country Act Planning Act 1990.

2) The development hereby approved shall be carried out in accordance with the following documents and drawings:

Proposed plans and elevations as shown on the drawing labelled 'EXISTING & PROPOSED PLANS', numbered 'RAD/3355/25/1/RevD', received by the City Council as Local Planning Authority on the 13th November 2025.
'Extraction System Proposal', received by the City Council as Local Planning Authority on the 12th August 2025.

Reason - To ensure that the development is carried out in accordance with the approved plans, pursuant to policies SP1 and DM1 of the Manchester Core Strategy.

3) a) Notwithstanding the details included within the documents listed under condition no.2 of this approval, prior to first use of the development hereby approved a scheme for the extraction of any fumes, vapours and odours from the premises shall be submitted to and approved in writing by the Local Planning Authority.

The approved scheme shall be implemented before the use commences and shall remain operational thereafter.

Reason - In order to ensure the efficient dispersal of cooking odours from the premises in the interests of the amenity of neighbouring occupiers and to ensure that any ventilation flues/ducting can be accommodated without detriment to character and appearance of the host building and the surrounding area in accordance with policies SP1 and DM1 of the Core Strategy and the National Planning Policy Framework.

4) a) Notwithstanding the details included within the documents listed under condition no.2 of this approval, prior to any above ground works, either a scheme that demonstrates that any plant equipment will achieve a rating level of 5dB (LAeq) below the typical background (LA90) level in each octave band at the nearest noise sensitive location, or a scheme showing a method to acoustically treat/insulate any plant equipment so as to achieve a rating level of 5dB (LAeq) below the typical background (LA90) level in each octave band at the nearest noise sensitive location, shall be submitted to and approved in writing by the Local Planning Authority. The development shall then be carried out in accordance with the approved details.

b) Prior to the first use of the ground floor commercial unit, a verification report, which will include post-completion testing, shall be submitted to and approved in writing by the Local Planning Authority to validate that the plant equipment achieves a rating level of 5dB (LAeq) below the typical background (LA90) level in each octave band at the nearest noise sensitive location.

c) In the event of non-conformity with a rating level of 5dB (LAeq) below the typical background (LA90) level in each octave band, then any measures/changes required to achieve conformity shall be carried out. Any required measures/changes and verification shall continue until conformity has been achieved and agreed in writing by the Local Planning Authority, before the use can commence.

Reason - To minimise the impact of the development and to prevent a general increase in pre-existing background noise levels around the site. Pursuant to policies SP1 and DM1 of the Core Strategy and saved policy DC26 of the UDP.

Informatives

Building Regulations 2010
This permission does not grant approval under Building Regulations.

Street Naming & Numbering Requirements
Manchester City Council is responsible for allocating street naming and numbering within Manchester for new developments or property conversions. Individuals or businesses are not permitted to allocate their own property numbers, building or street names.

If your development includes the creation of new dwellings (either new build or conversion of existing buildings), creation of new commercial properties or the subdivision of existing properties you must ensure that you request new or changes to addresses through us so they can be officially allocated and registered in accordance with the Public Health Act 1925 Sections 17-19 & Greater Manchester Act 1981 Section 22.

Failure to do this may result in difficulties for the developer/occupier when requiring services such as connections to utilities, phone lines and postal services and may delay your development.

You can apply online at the following address:
http://www.manchester.gov.uk/info/100011/roads_parking_and_transport/1988/naming_and_numbering_of_houses_buildings_streets_and_roads/2

In relation to condition 3 (fumes, vapours, and odours) - MCC's Environmental Health Services disagree with the risk assessment submitted as receptors are nearer than 20m this does not affect the overall score and the level of odour control that is required. They have also provided information on servicing and maintenance. It has been noted that in the drawing on page 17 of 25 of the kitchen extraction strategy the filters are labelled the wrong way round. The pre-filter needs to be before the carbon filter.

In relation to condition 4 (external plant) - MCC's Environmental Health Services have indicated that the kitchen extraction strategy contains some acoustic information, but a formal report is required to show that the system will comply with our requirements.

Construction works shall be confined to the following hours:

Monday - Friday: 7.30am - 6pm
Saturday: 8.30am - 2pm
Sunday / Bank holidays: No work

Information for Developers guidance documents can be downloaded using the following link:

The applicant is required to discuss and agree any requirements for licensing, hoarding / scaffolding, and skips with MCC's Highways Licensing Team via Email to: highwaylicences@manchester.gov.uk.

The applicant is required to discuss and agree any requirements for temporary pedestrian and traffic management with MCC's Event and Traffic Management Team via Email to highwaynetworkmanagement@manchester.gov.uk .

Date: 4 December 2025

Signed: 

Julie Roscoe
Director of Planning, Building Control & Licensing

Manchester City Council, P O Box 532, Town Hall, Manchester M60 2LA

Notes

1. This permission refers only to that required under the Town and Country Planning Act 1990 does not include any consent or approval under any other enactment, byelaw, order or regulation.

2 If the applicant is aggrieved by the decision of the local planning authority to refuse permission or approval for the proposed development, or to grant permission or approval subject to conditions, they may appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990 within six months of the date of the notice of the decision.

The Planning Inspectorate have introduced an online appeals service that can be used to make appeals online. This service is available through the gov.uk website – www.gov.uk/appeal-planning-decision The Inspectorate will publish details of your appeal on the internet. Alternatively If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State has power to allow a longer period for the giving of a notice of appeal but they will not normally be prepared to exercise this power unless there are special circumstances that excuse the delay in giving notice of appeal.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the City Council (planning@manchester.gov.uk) and the Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. Further details are on GOV.UK.

3. The statutory requirements are those set out in Section 79(6) of the Town and Country Planning Act 1990, namely Sections 70(1) and 72(1) of the Act.

4. If either the local planning authority of the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that they can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990

5. In certain circumstances, a claim may be made against the local planning authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to them. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
