Comment Reasons:
Comment:The structure in the grounds provides a vital space for the people of the local community to come together for important events as a low cost function hall for the local community to use for important events, for the large numbers of people to attend. The marquee also provides a space for use for many useful study classes for the youth and elderly to attend, at a low cost and within a close approximiity to where people live. This is not only sustainable, but vital to the local community.
