Comment Details

Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I firmly believe this facility should remain open for at least another three years due to the vital role it plays within the community. It offers a safe, welcoming, and supportive environment where people, particularly Muslims, can come together for prayer, connection, and positive social activities. Its value to the community is immense, and its continued operation is essential.
