Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: I wish to register my support for the extended use of the marquee as a place of worship. I attend the venue with family members for this purpose. The marquee serves predominantly as a place of worship, and to a lesser degree for wedding functions, that I have been invited to on a number of occasions. I can confirm that I have never witnessed fireworks being set off at any of these functions. The marquee is also a very important resource for the many other community activities for all ages held here. Would the council be threatening closure if this was a sports hall or church? The proposal of closure is very disappointing.
