Comment Reasons:

Comment: The marquee in the grounds of our British Muslim Heritage Centre has allowed our weekly Friday congregation to take place without fail for the Muslim community in this locality. This space also allows other community events to take place such as weddings and talks including inter-faith community gatherings. The centre has always managed traffic entering and leaving the site at every event including the weekly Friday congregation. We hope to continue to attend our Friday prayers at this centre and trust the council will allow us to do so.
