Comment: Dear Ms Wills

I hope this find you well? I would like to support BMHC's application for extending the period for the temporary marquee. From my experience it has been an invaluable addition to the functional space the centre has to offer to the surrounding community and further afield.

I have had the opportunity to attend community events at the centre utilising this marquee.

Not having the marquee would have a significant negative and material effect on the attendees of the centre, the surrounding community and the wider public.

At this particular moment of time we have a dearth of venues and space available to the community. By not extending the period further it will further deprive our community of an extremely valuable space and further marginalise our community's experience.

I hope their appeal is upheld against the decision of not extending the marquee's duration.
