Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: The marquee at the British Muslim Heritage Centre provides a vital space for our community to pray together in the most important part of our week, the Friday prayer. This spiritual and blessed weekly event provides so much unity and joy to everyone involved and would simply not be the same without the marquee at the Heritage centre.

Personally my grandparents have benefitted hugely from attending community events at the marquee as well as Friday prayer and wouldn't be as healthy and strong in their old age without this great community establishment. It brings both huge value socially as well as spiritually to be able to gather in such a space.

It is a part of our identity as Muslim Mancunians and my children love to attend prayers at the marquee with friends and family as a cherished and exciting event. There is no other space large enough to cater for so much of the community on Eid or Friday prayers.
