Comment Reasons:

Comment: I am writing to express my strong support for the renewal of planning permission for the marquee at the British Muslim Heritage Centre.

The marquee is an essential community space that supports a wide range of religious, cultural and social activities, including Jumu'ah prayers, Taraweeh, funeral prayers, Eid gatherings and community events. As the Heritage building alone cannot accommodate the large number of people who rely on these services, the marquee plays a vital role in ensuring that these activities can continue safely and effectively.

The BMHC is an important place of worship and community hub for families across Manchester, and the marquee directly enables the ongoing initiatives, programmes and services delivered at the Centre. Removing it would significantly impact the community's ability to gather, worship and support one another.

For these reasons, I strongly support the renewal of the planning permission and urge the council to approve this application.
